Exclusively offered by FA Aircraft Sales
2000 CIRRUS SR20

A dream come true for aspiring Cirrus owners; this 2000 Cirrus SR20 (MSN 1092) offers an exceptional entry point into the world of Cirrus aviation. Its affordability is perfectly balanced with impressive performance, making it an ideal choice for pilots seeking a smooth transition into the Cirrus family.

This like-new aircraft boasts an incredibly low-time engine with only 112 hours TSO and propeller with just 137 hours TSO, minimizing the potential for unexpected maintenance costs while ensuring reliable performance for years to come. Combined with modern avionics, you will experience enhanced navigation, communication capabilities and a smooth flying experience.

MSN 1092 is truly ready for her new owner, offering peace of mind and countless adventures waiting to be explored.
