CIRRUS SR22T GTS G5 CARBON EDITION

OO-WIM | MSN 1044

Exclusively offered by FA Aircraft Sales:
2015 Cirrus SR22T GTS G5 Carbon Edition

Owning the skies takes on a whole new meaning with MSN 1044. This pinnacle of personal aviation boasts a powerful Continental TSIO-550K engine with 315 horsepower, and a propeller that has been overhauled in 2025, allowing you to climb higher and reach your destination faster. Experience the perfect balance between comfort features, such as air conditioning, and safety features like the Cirrus Airframe Parachute System (CAPS) that has been overhauled in 2025, a signature element for Cirrus aircraft. But the true magic lies within the Garmin Perspective cockpit, where you'll discover a world of innovation waiting to be explored.

This 2015 Carbon Edition of the Generation 5 SR22T GTS offers a stunning aesthetic with a captivating carbon fiber appearance, making a bold statement wherever you land. Don't miss this opportunity to own a piece of personal aviation excellence!
