1988  
Beech Bonanza A36  
D-EKLB s/n E-2444

Meet "Lady Ingrid," a stunning 1988 Beechcraft Bonanza A36 that perfectly marries classic pedigree with modern innovation. Maintained under strict EASA CAMO control and having had only three owners since new, this aircraft offers a rare level of documented care and mechanical integrity.

Performance is at the forefront, featuring an overhauled engine and propeller with only 215 hours of flight time. "Lady Ingrid" is optimized for efficiency and comfort, equipped with GAMIjectors for precision fuel flow and a lower-noise propeller that grants access to quieter category airports.

The flight deck has been completely transformed with a full avionics upgrade, featuring the latest gadgets for 21st-century situational awareness. Complemented by full external LED lighting, this aircraft is a premier, turnkey choice for the pilot who seeks the legendary Bonanza experience without compromise.

Flip the page for the full specs and discover what makes this 1988 Bonanza a truly unique opportunity.

## Interior

The interior features dark leather seats arranged in a club seating configuration for a social, executive experience. This rich upholstery is beautifully complemented by a convenient integrated side table and light-toned side panels, creating a clean and airy atmosphere throughout the aircraft. The flight deck offers a professional contrast, where the two pilot seats are finished in a sophisticated lighter grey color.
