CIRRUS SR22 GTS G5 PERSPECTIVE  
F-HIVE s/n 3962

Experience the pinnacle of high-performance travel with this stunning full option 2013 EASA-registered Cirrus SR22 GTS G5. Engineered for those who demand both luxury and capability, this aircraft features the sophisticated Cirrus Perspective Flight Deck by Garmin, ensuring every mission is as intuitive as it is efficient. With a bold, aggressive aesthetic defined by sporty custom striping inside and out, this G5 makes a powerful statement on any ramp.

Safety and reliability are at the forefront of this exceptional machine. Fully FIKI certified for flight into known icing, it offers the ultimate flexibility for your regional or international journeys. Peace of mind comes standard thanks to a CAPS parachute replacement performed in late 2023 and a comprehensive Engine Top Overhaul completed in early 2026, ensuring this aircraft is primed for years of peak performance. Elevate your standards and your flying experience with the ultimate modern single-engine icon.
