Cessna 340A Series VI: Twin-Engine Performance Redefined

This 1979 Cessna 340A Series VI (RAM) represents an extraordinary opportunity to own a meticulously maintained aircraft that perfectly balances pressurized cabin comfort with dynamic RAM performance. With approximately 3,819 total flight hours, this airframe is truly mission-ready, boasting powerful Continental TSIO-520-NB turbocharged engines paired with ultra-low-time 3-blade Hartzell propellers installed in recent years, providing exceptional reliability and peak aerodynamic efficiency. Wrapped in an overall Matterhorn White livery with a classic Dark Blue lower fuselage and crisp Grey accents, this aircraft commands a sophisticated, timeless ramp presence.

Inside, the cabin is designed for the discerning executive traveler, featuring a refined white leather interior in a spacious club-seating configuration, enhanced by dark navy and grey accents. Passengers can travel in total comfort with a fold-out executive writing table and the luxury of onboard Air Conditioning, ensuring every journey is as relaxing and productive as it is smooth.

For the pilot, this aircraft is a premier IFR-certified, all-weather platform. The flight deck has been thoroughly upgraded with state-of-the-art Garmin avionics, centered around a Garmin G500 TXi PFD/MFD system, a Garmin GTN 750Xi COM/NAV/GPS, and a precision Garmin GFC 600 Autopilot. Supported by a secondary Garmin GNS 430 and full analog backup instrumentation, this turnkey cockpit offers an uncompromised blend of modern safety, redundancy, and performance.

OE-FKH s/n 340A-0716

Airframe

Type	Cessna 340A Series VI RAM
Registration	OE-FKH
Serial Number	340A-0716
Year of Manufacture	1979
Total Time	Approx. 3819 flight hours

Engines

Engine #1 Type	Continental TSIO-520-NB with RAM Turbocharger
Total Time	Approx. 453 flight hours since installation in 12/09/2009
Engine #2 Type	Continental TSIO-520-NB with RAM Turbocharger
Total Time	Approx. 141 flight hours since installation in 24/04/2018

Propellers

Propeller #1 Type	Hartzell PHC-C3YF-2UF
Total Time	Approx. 16 flight hours since installation in 24/07/2024
Propeller #2 Type	Hartzell PHC-C3YF-2UF
Total Time	Approx. 45 flight hours since installation in 14/03/2022

Key Aircraft Highlights

- RAM Performance Conversion: Enhanced turbocharged twin-engine power and efficiency.
- Low-Time Components: Fresh, low-hour Hartzell propellers and well-maintained RAM engines.
- Upgraded Garmin Flight Deck: Glass cockpit featuring G500 TXi, GTN 750Xi, and GFC 600 Autopilot.
- Pressurized & Air-Conditioned Cabin: High-altitude capability paired with total climate control.
- Executive Club Interior: Premium white leather seating complete with a fold-out writing table.
